

Summer Term Newsletter

Violet Class

Now the weather is improving Violet Class are travelling further afield on our weekly trips to the local community. We particularly enjoy travelling on the tram and have been as far as Lloyd Park, the Poundland in New Addington and Lidl.

We have also been doing more of our activities outside, especially when they involve water!

We are looking forward to a variety of events next half term including sports day, parents evening and our class outing to Godstone Farm.
