

# Class Lime News

Hello Everyone!

We've done lots of exciting things this summer!

Our topic this half-term was: 'Pirate's Life for Me'. In our Communication lessons we've been participating in 'Seaside' themed Sensology activities and Attention Autism sessions as well as story massage exercises based on the song 'Portside Pirates'.

We've been really engaged during our Sherborne Activities sessions. We've been so good at copying actions and pretending to be a 'pirate', a 'seagull' or even a 'sea storm'!

We've been regularly visiting a local park and the playground and we've had a great time during our class trip to the Battersea Zoo. We've seen some animals living at the zoo and had fun in the playground.

Have a lovely summer!
