

Fuchsia Class have settled in very nicely and have been enjoying learning all about themselves during our new topic, 'To Be Me'. We have been reading 'Here We Go 'Round the Mulberry Bush' as our topic story and have been role-playing our favourite daily routines including getting dressed, have a bath and brushing our teeth. We have also been learning lots of new skills in our sessions with the Athletics Coach! We are enjoying the Autumn sunshine and have been going on walks around our local area and learning about the Autumn. We have explored leaves and conkers in Science and have done some Attention Builder activities where we shook glitter over leaves and lifted them up to see their shape left behind. We look forward to gearing up for the Harvest Festival in a few weeks and we hope to see you there!

Love Fuchsia Class
