

Lilac class

We've had lots of fun getting to know our new school and our new teachers and friends.

We have loved exploring our outside area - using all the equipment and enjoying the big space to run around.

In our classroom we have been developing all our skills through play. We all love the playdough and glitter!

We have been visiting all of our specialist rooms - our favourite at the moment is the soft play room where we can climb and slide and jump.

This week we had African drumming in the hall. We all had the opportunity to play the drums and listen to an expert!

Wishing you all a fantastic half term holiday, from everyone in Lilac class x
