

# Cyan Class

*Hello everyone!*

*We can't believe how quickly this first term has flown by. In Cyan class we have been very busy settling in to our new class and routines.*

*This term our topic was 'If you go down to the woods.' The children have learnt about the animals that live in the woods and have collected and examined items found in the woods like conkers and leaves.*

*Fitting with our woodland theme, the book we have read this term is 'The Gruffalo!' The children have really enjoyed, listening to, acting out and writing about the story. They have done lots of artwork and cooking linked to the book too.*

*All term most of the children have been going swimming. They made really good progress and absolutely loved being in the water. Some children even earned swim certificates!*

*For the last few weeks we have been busy with our Christmas preparations and look forward to seeing you at the Christmas Production!*

*From all of Cyan class*
