

Teal class news

Teal class have had a great start to the spring term. We have been exploring our new topic 'all about me'. In art we enjoyed making a world and flags for our families' heritage. We have been exploring the different countries that our family originate from. We have made pizza faces in cooking and have used playdoh to create self-portraits! We have started music therapy this term which we are really enjoying! We are working on sharing the instruments with each other.

We look forward to learning lots of new skills in our activities this half term!

Love
