

Hello!

Our Topic this term is 'Shape & Colour'.

We have been reading a book together called 'Anna's Amazing Multi-coloured Glasses', the children have enjoyed exploring all of the props, and identifying the colours and days of the week together.

We have also been making shapes out of Playdough, and other sensory recipes, following processes and routines to create lots of wonderful & different results!

Jade Class News

We have continued support this term from Our Music Therapist Ian, and have been experimenting with lots of different sounds, we particularly love playing the drums together and following simple rhythms.

We hope that you can join us in March when we invite you into Class to take a closer look at all the wonderful things we are doing.

Leo & the Class Jade Team.
