

*Hello everyone,
Mint Class have had a busy and
fun filled Spring term. Our topic
has been 'textures' and we have
been reading the story 'We're go-
ing on a bear hunt' and exploring lots
of sensory props.*

*We have had Swimming this term
which we have all really enjoyed and
we have all become much more confi-
dent in the water with some of us
even jumping into the pool now! We
have continued to work on taking
turns and sharing with our friends,
and copying different actions.*

*Look forward to seeing you soon!
Amy, Pam, Fay, Colette, Sharon, Lorraine & Jemimah.*
