

News from Royal Class

Hello everyone!

Royal Class are making very good progress.

Jolly Phonics is particularly successful in Royal Class where we are learning more about letters and sounds.

We are currently on the topic of Fairy Tales. In Maths, we have made good progress with using and applying. In English, our current book is Jack and the Beanstalk and we have been continuing to develop our writing skills.

We hope you liked the cards we sent home for Mother's Day.

We have been planting our own bean seeds in Science, learning more about brushing teeth, washing our faces and combing hair. We have also made delicious treats such as cakes and biscuits in Cooking.

Happy Easter!

Royal Class
