

Hello everyone,

Mint Class have had a busy start to the summer term! Our topic has been 'around the world' and we have been exploring a different continent each week. So far we have explored Asia where we used a range of spices to make marks and Africa where we read 'Handa's Surprise' and explored all the different fruits during our science lessons.

We have also been reading the story 'Walking through the jungle' where we love exploring all the sensory props!

We look forward to seeing you soon!

Amy, Pam, Fay, Colette, Sharon,
Barbara, Lorraine & Jemimah.
