

# Emerald Class

Hello everyone!!

We have had a lovely summer term with lots of fun activities.

Our topic this term was Senses. We have had a senses carousel every morning exploring different smells, tastes and sights.

We have been working very hard on our communication this term. We all love to cook choosing what ingredients we need to make a recipe.

We had our trip to Manic Monster's soft play. We had so much fun climbing as high as we could go then going down the big slides, we then had lunch outside at McDonalds which we all loved.

Emerald class all wish you a very happy summer break

Love

Abi, Jen, Honorine, Leyla, Marilyn, Antonio, Sharon and Sophie
