

Navy Class

Time definitely flies when you are having fun! We can't believe that the summer holidays are almost upon us.

Our first topic this term was 'A day at the farm', and provided lots of new hands on experiences such as pretending to shear sheep and milk cows. The second half of the term we explored 'A day at the seaside' which was perfect with the glorious weather we have been having.

The highlight of this term has certainly been our weekly swimming lessons. The children have been in their element in the water and it has been a pleasure to see their confidence and independence in the water blossom.

Some of the pupils will be moving on to their Secondary school on September and we would like to take this opportunity to wish them all well in their new adventures.
