Dear Parents and Carers

I hope that you have all been able to enjoy the snowy weather with your families this week.

We have been working hard to make sure that our remote learning on our website at www.redgates.croydon.sch.uk has plenty of interesting activities for you to enjoy with your children. If you have any additional ideas or requests, please let your class teacher know during your weekly phone call.

We really do appreciate that you have done amazing work with your children while staying at home to keep safe. From the work sent in to class teachers, we can see that your children are enjoying their time with you.

Over the half term break, our staff are being offered the COVID vaccine to support us in our efforts to keep as many classes open as possible. I am hopeful that we will be able to open more classes soon and await the government announcement due on the 22 February, to help us prepare for after 8 March.

As we continue with virtual Annual Reviews and Personalised Planning meetings, I hope that you feel supported by your class teams. If you have any concerns, please don't hesitate to contact your class team via home / school books or using your class email addresses.

I hope that you have the opportunity to enjoy your half term break and I look forward to seeing everyone in school again as soon as possible. Spring is on its way!

Kind regards,

Lorraine Slee
Head Teacher
