

## Rainbow Pizza

1. Choose a pizza base of your child's choice.
2. Allow your child to choose their favourite vegetables of different colours.
3. Support your child to chop the vegetables as independently as possible. Place the vegetables in a bowl ready to use later.
4. Prompt your child to spread the tomato puree onto the pizza base.
5. Ask your child to sprinkle the cheese onto the pizza.
6. Ask your child to place the chopped vegetables onto the pizza.
7. Ask your child to place the finished pizza in the oven and cook.

### **Extension ideas:**

- Create a colour pattern (as pictured above) and get your child to copy the pattern.
- Include maths skills, support your child to weigh out the cheese, use big/little spoons to spread the tomato puree, count the correct number of chosen vegetables
- When cutting the pizza/vegetables, cut it into halves/ quarters etc.

### Key words

Names of vegetables

Pizza

Cheese

Tomato puree

Spread

Sprinkle

Cut
