### Resources you will need

Computer/iPad/phone

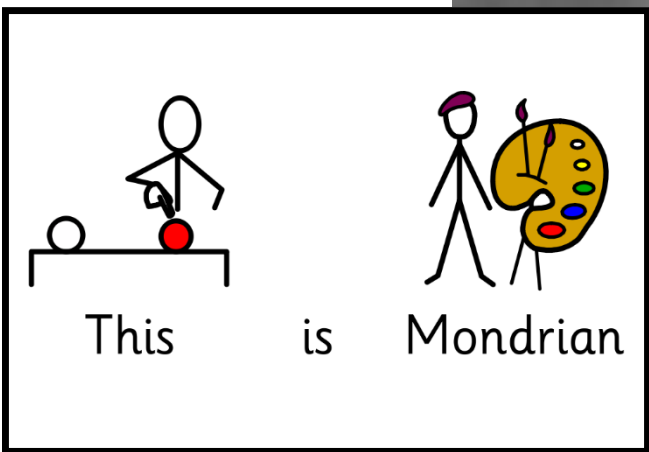

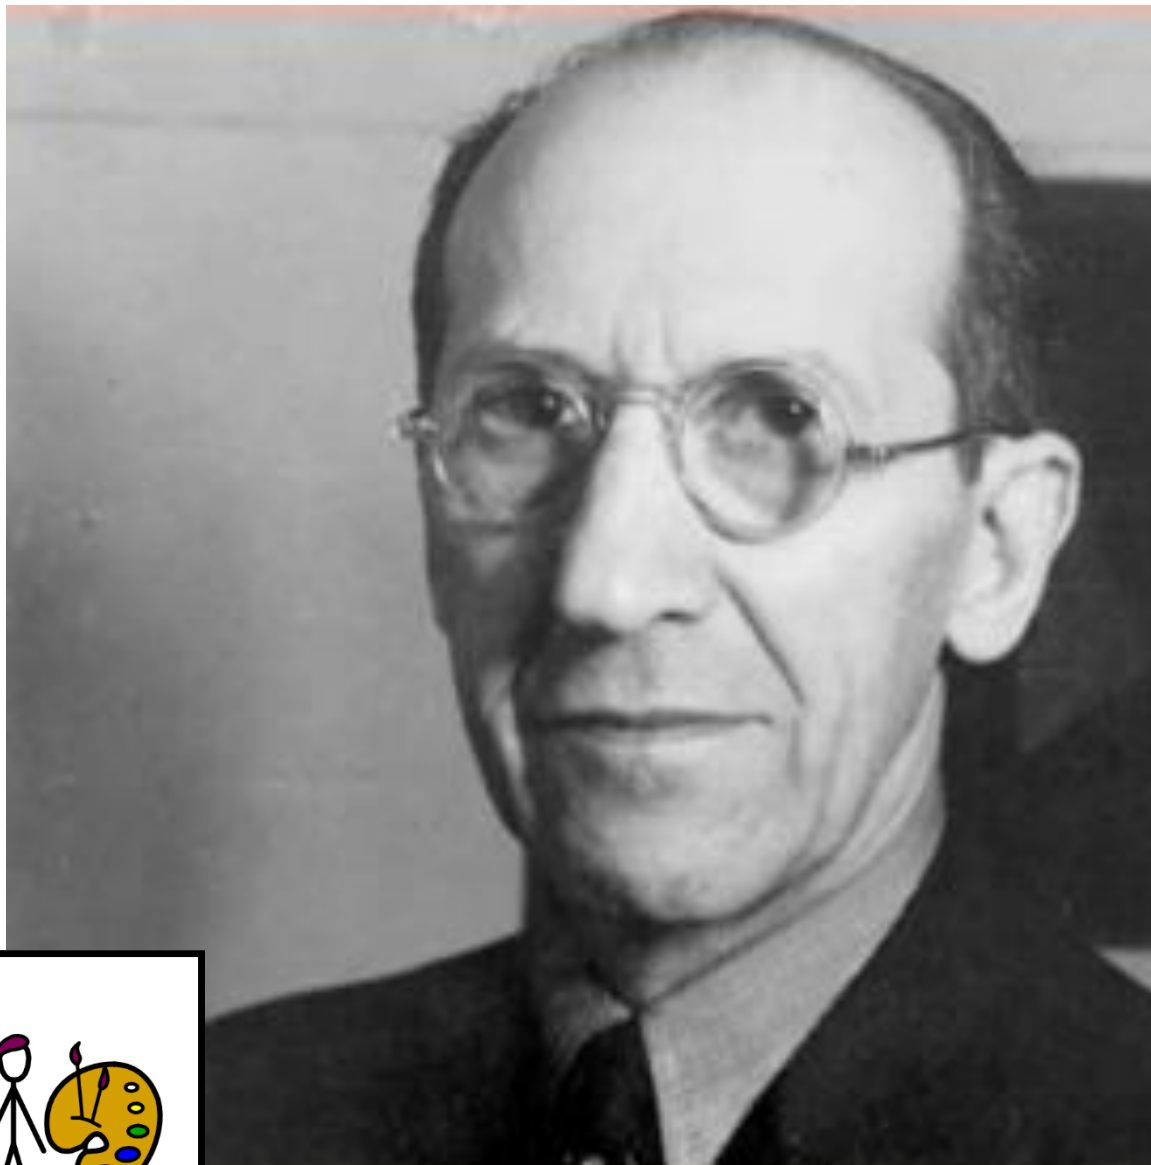

1. Explore how to play –There are instructions which are easy to follow. The programme talks to you and tells you what the tools are and the colours used.
- 2a. Draw your favourite things. - Use your favourite colours.
- 2b Add stickers-click 2 times on them to make them stay on the paper.
- 2c. Make your drawings Christmas theme –like draw a tree with baubles.

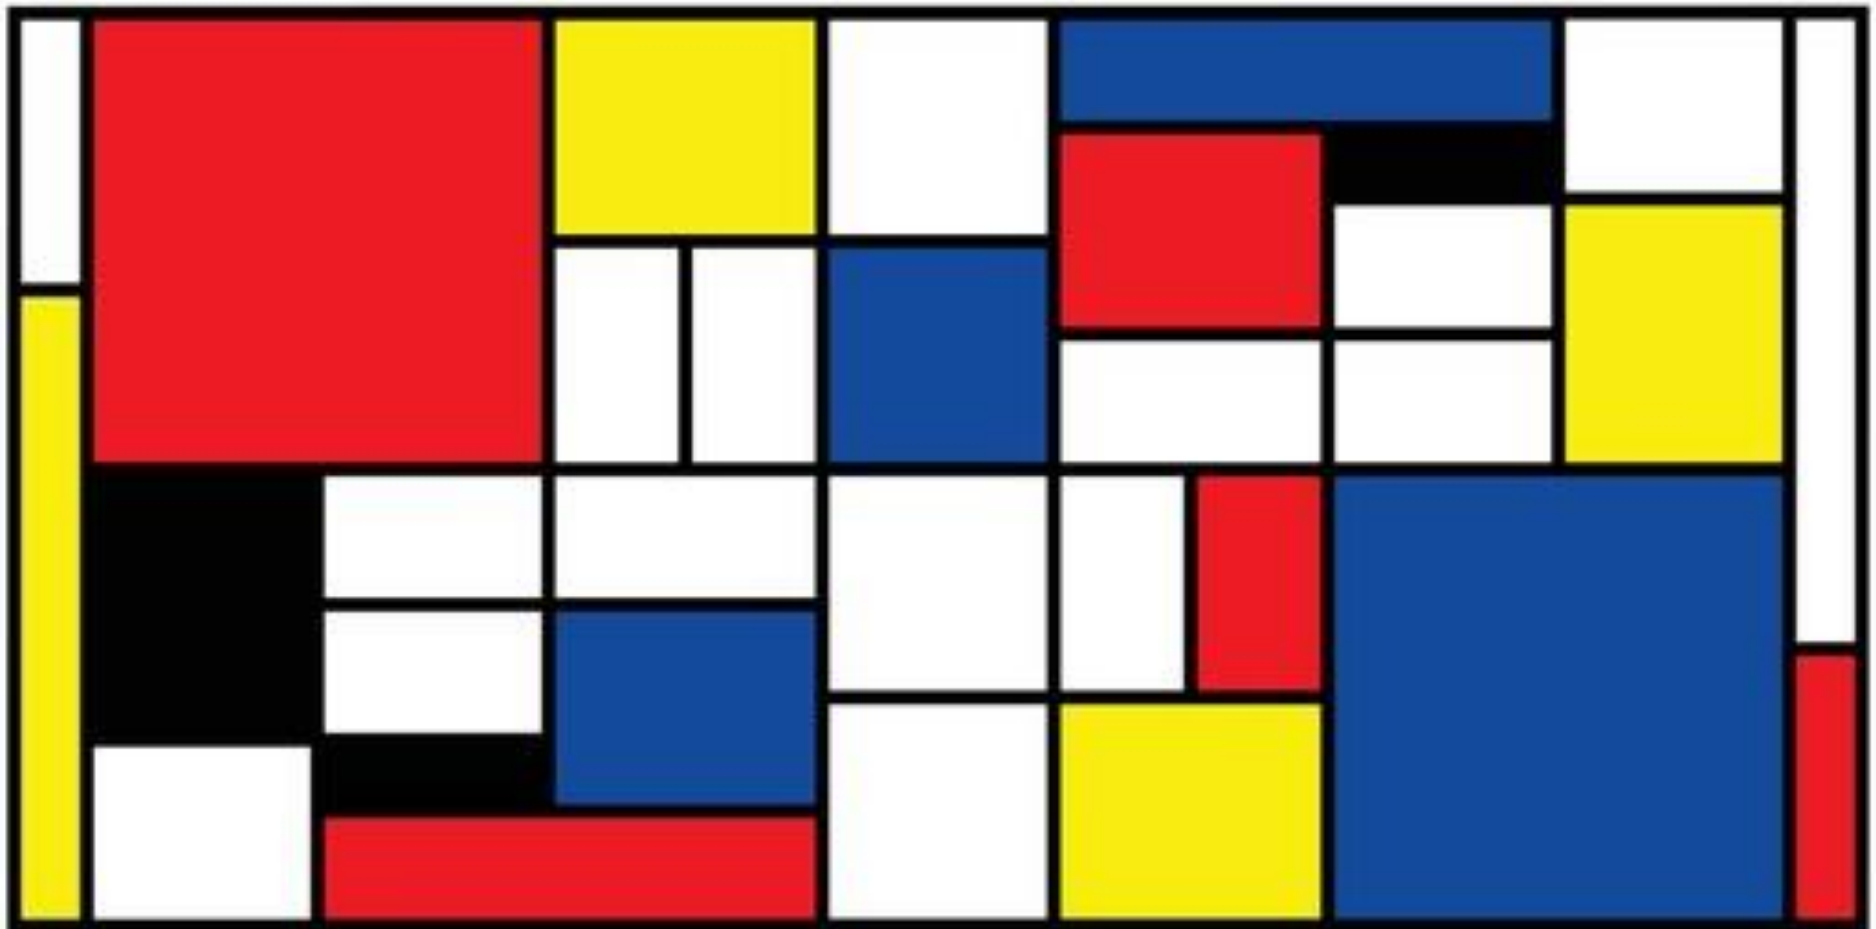

Extension ideas:

1. There are other drawing programmes –which are characters from CBeebies

They follow the same technique but have different stickers and pens to use.

2. The programme also looks at colouring pictures. A task to help with mouse control and colours.
