

Shape Art (Kandinsky)

Key words

Art
Artist
Shape
Circle
Square
Triangle
Rectangle
Print
Colour names

1. Explore the artist Kandinsky who created artworks using circles. (See pictures attached).
2. Go on a scavenger hunt around the house to find as many circular objects as possible – toilet tubes, bottle lids etc.
3. Dip these in to paint and use them to print on to paper.
4. Choose which colour paint to use, using symbols or reaching out for desired colour.

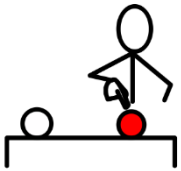

Extension ideas:

- Can you make a pattern using two colours of paint e.g. Red, Yellow, Red, Yellow?
- Can you collect objects of other shapes e.g. squares and triangles? Explore creating your own unique piece of shape art using different 2D shapes to print with.

Resources you will need

- Paper
- Paint
- Selection of 2D shapes
