Materials e.g. stone, leaf, sticks

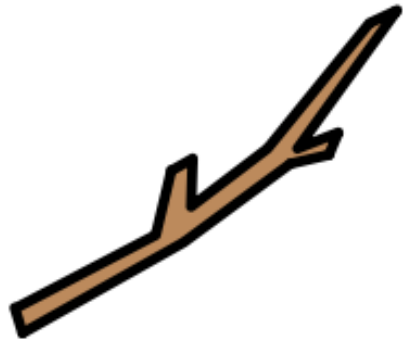

1. Go on an adventure hunt with your child looking for natural materials e.g. sticks, stones, leaves, pinecones.
2. Once you have gathered all the natural materials begin to create your art. Above are examples of the sorts of art you can create.
3. You can model creating the piece of art for your child to copy.

Extension- Questioning

- Ask your child what colours they can see.
- Count the materials e.g. ask how many sticks there are.
- Ask your child to create shapes e.g. a square made from sticks.
