

Activity – Alphabet search

Key areas of learning:

- Writing
- Reading

What you will need:

- Paper, glue, scissors
- Any materials you feel to use for example apple= A cut apple and place on the letter

Keywords:

- Big line
- Curve
- Little line
- A is for apple....
- Cut, stick
- Feels rough, smooth....

What to do:

- Find materials that relate to a letter and cut stick on a sheet of paper
- Write the letter out and place cut objects on the written letter

Extension:

- Make it a treasure hunt for example find me the apple....
- Hard and soft letters into piles

Attachments:

Activity – Make a texture book

Key areas of learning:

- Reading
- Science- texture

What you will need:

- Paper scissors glue
- Materials such as fabric, sensory media (pasta, split peas etc.)

Keywords:

- Sort
- Hard
- Fuzzy

What to do:

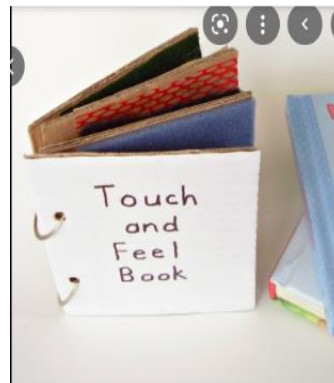

- Find different types of materials that can be cut into squares
- Fold paper
- Write the texture on the page at the bottom
- Match the texture and stick it down

Extension:

- Keep adding more pages to the book
- If you look at rough then see how many rough objects round the house you can find
- When out see how many bumpy things you can see and feel
