

Activity – Sensory pouches

Key areas of learning:

- Science, maths

What you will need:

- Sandwich bags, different sensory media, such as hair gel, dried pasta, water and oil, paint

Keywords:

- Touch
- Press
- Names for media
- Numbers (extension)

What to do:

- Apply media to the sandwich bags, put the bags on the floor or tables and secure with tape. Children to use their fingers or hands to feel the different media and textures in the bags.

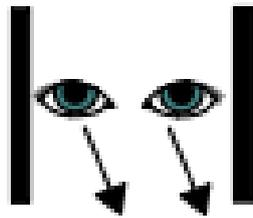

-

Extension:

- Can you identify if its hard or soft? Bumpy or smooth?
- Add pom poms into the pouches, how many are in the pouch?
