

Activity – We're going on a bear hunt

Key areas of learning:

- Reading
- Communication
- Science

What you will need:

- The book is on YouTube to read
- Props for the book such as foam for snow, sticks for the wood, water spray for water, mud or brown playdough for the mud

Keywords:

Reading, bear, snow, mud, water, wind, woods

What to do:

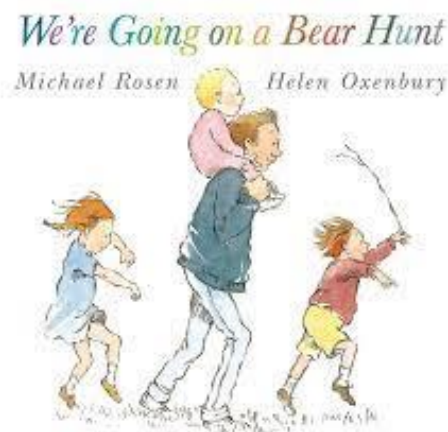

- Read the story 'We're going on a bear hunt' at each page feel the different sensory props. For an example, when they go through the thick oozy mud show the mud or something that resembles mud (brown playdough) feel the different textures of the sensory media for each page. Each page should have a different prop which feels different from the previous page.

Extension:

- Can you turn the pages independently? Can you identify what's next on the pages?
