

Activity – Antarctic – Make your own Olaf

Key areas of learning:

- Food exploration
- Maths number
- Fine motor skills

What you will need:

- Marshmallows
- Chocolate chips
- Raisins
- Orange icing pen

Keywords:

Build, 1, 2, 3 orange, black, snowman, count, marshmallow, raisin, chocolate

What to do:

- Lay all ingredients out on the table.
- Encourage your child to explore the different textures of the ingredients with their hands. Reinforce each texture with a key word, for example 'Marshmallow' is soft'
- Encourage your child to stack the marshmallows to make a snowman.
- Encourage your child to choose which ingredient they would like to use to make the eyes and buttons of the snowman.
- Encourage your child to find the correct ingredient when shown a symbol.

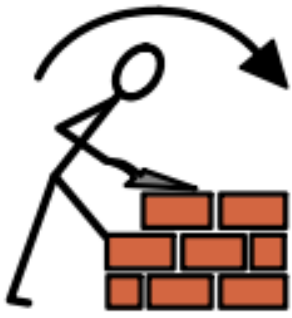

Extension:

- Extend learning by questioning, for example – how many marshmallows? Where are the eyes?
