

## Activity – Snow ball counting

### Key areas of learning:

- Gross motor skills
- Maths
- Turn taking game.

### What you will need:

- Cotton wool or Large pom poms
- Plastic cups

### Keywords:

'ready, steady, go!', how many? 1, 2, 3, 4,5,6,7,8,9,10

### What to do:

- Stack the plastic cups into a triangular tower.
- Promote anticipation by saying 'ready, steady, go'.
- On 'go!' encourage your child to throw the cotton wool or pomp om toward the tower you built.
- How may did you knock over? Count the cups with your child
- Take turns with your child. Encourage to wait and watch you have a turn.

### Extension:

- Who knocked over the most cups. Make a tally for each of you. Count the total amount and decide who had more or less?
