

Activity – Writing/ making marks

Key areas of learning:

- Communication and fine motor skills

What you will need:

- Animals sheet, chubby mark making tools

Keywords:

- Colour's name
- Animal's name
- Tap

What to do:

- Children will colour the rainforest animals with adult support, by using the chubby markers to make dots. Adult will encourage children to copy actions or paint independently.

Extension:

- Children can paint the other sheets, to create their own rainforest placing the animals in different sites. The first sheet is the rain forest which should be printed in A3 paper preferably.
