

Sarah Erridge – Co-Chair of the Curriculum, Community and Standards Committee

Since joining the Red Gates Governing Board in 2019, it has been a pleasure to work with the school's talented and dedicated leadership team as we work towards the school's continued success and development. I am currently serving as Co-Chair of the Curriculum, Community and Standards committee, where we review and monitor key functions across the school.

I began my career at a leading strategic communications and events agency delivering change communication programmes for the likes of KPMG, Transport for London and Coca-Cola. Now working for a global professional services firm, I lead internal communications for one of their four businesses. During my time at the firm I have worked across Marketing and Communications with projects ranging from the rollout of a new brand identity to 50,000 colleagues, to co-ordinating industry conferences in Europe, Asia and the USA.
