

ASD Autumn Newsletter

We have been very busy settling back into the daily routines of the school day and getting to know our new classmates. This term our topic is 'Marvellous Me!'.

We will be reading 'Here We Go 'Round the Mulberry Bush' and 'Colour Monster' to practice our daily independence skills and to learn about our emotions and how to manage them appropriately.

In Maths, we have been looking at our height and seeing who is taller using big Lego bricks to measure. We have also been using chalk to trace around our silhouettes to measure the length of our body parts.

In Science, we have been using our sense to explore, tasting and feeling different textures. We have also been looking at our faces in the mirror to practice different emotions.

Dog Therapy, Swimming, Dance and Horse-riding (for Year 6 children) have started up again and we are enjoying engaging in all the fun activities this half-term.

We look forward to seeing you for our class visits later on this term.
