

**LISS Pathway Newsletter**  
**Autumn (1<sup>st</sup> half) 2022**  
**Topic: Me in the World**

**Our topic this half-term**

For this half term, we will be learning about ourselves through our topic: Me in the World. Our topic story is based around the book 'We are all different'.

**Important Information**

Class teams upload evidence onto your child's SOLAR assessment page regularly so that you are fully informed of their day-to-day progress. Your child's new Personalised Plan will also be available to view on SOLAR very soon.

Please contact your child's class teacher if you would like support logging into SOLAR.

**Learning**

The pupils will have opportunities to learn both inside and outside the classroom. Pupils will learn about their bodies and what they do during science activities. They will have opportunities to use our new sensory garden and complete community walks.
