

Activity – Threading your Wand

Key areas of learning:

- Numbers
- Fine motor skills

What you will need:

- Beads
- Wind pipe
- Stars
- Felt tip

Keywords:

numbers, thread, beads, wand

What to do:

- Focus on a number at a time and count along with your child, using their fingers
- Count the right amount of beads with your child
- Encourage your child to thread the beads through with minimal support
- Move on to the next number

Extension:

Try a bigger number, maybe the number 10!
