## Activity – Magic beans

### Key areas of learning:

- Science
- Fine motor

### What you will need:

- Bean seeds
- Soil
- Plastic cup
- Paper
- Crayons
- Cotton wool
- Wooden cane
- Water

### Keywords:

- Seeds, soil, fill, empty, water, castle, clouds, cup, grow

### What to do:

- Encourage your child to fill the plastic cup with soil and plant a seed.
- Draw and colour a castle and attach to the wooden cane. Stick some cotton wool to the bottom of the castle to represent clouds. Stick the cane into the plastic cup with soil and then wait for your beans to grow.
