

## Communication

### Key words

Balloon  
Blow  
Ready steady go  
Big/Little

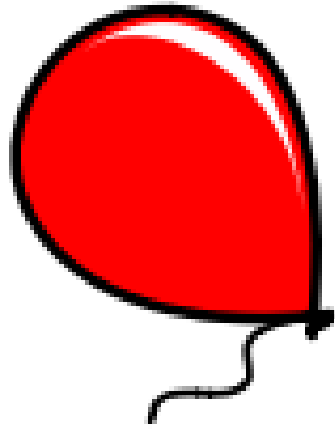

### Resources you may need

Balloon  
Balloon pump

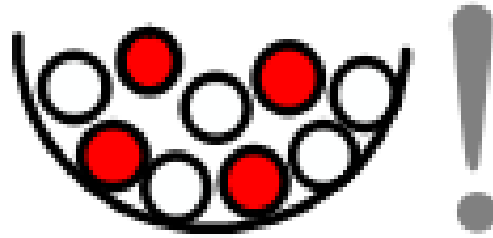

- 1) Blow up a balloon, then say “Ready, Steady, Go”. Let go and watch the balloon wiggle to the floor.
- 2) Repeat and comment on the size of the balloon – big/little before letting go.
- 3) **In the interest of hygiene please use a balloon pump to blow up balloons rather than by mouth.**

### **Extension ideas:**

- Before letting the balloon go say “ready steady” and pause to provide a chance for the children to vocalise, speak or use sign to say “go”.
- Allow the children to have a try to blow up balloon and let it go for their peers.
