

Science - Transport sorting

- 1) Name transport types and discuss which go on the road, water, trucks and in the air.
- 2) Place the transport where they should be. Eg: boat on water.

Extension ideas:

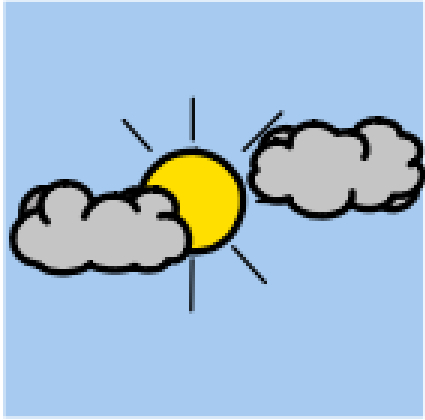

- Can you make sound effects that go with each mode of transport. Eg. Choo choo – train

Key words

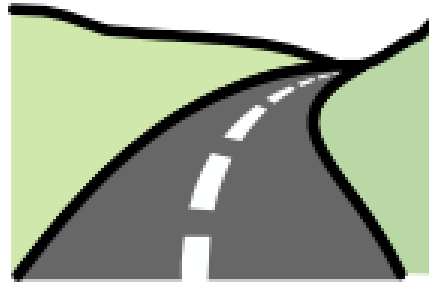

Car Truck Train
Boat Submarine
Aeroplane Hot Air Balloon
Helicopter
Water
Air
Road
Track
