

Spring 2 news from Melissa

Dear all,

What a busy half term it has been, we all had a fantastic time celebrating Science week with some great experiments taking place around school. All the children have been enjoying completing Easter Egg hunts this week.

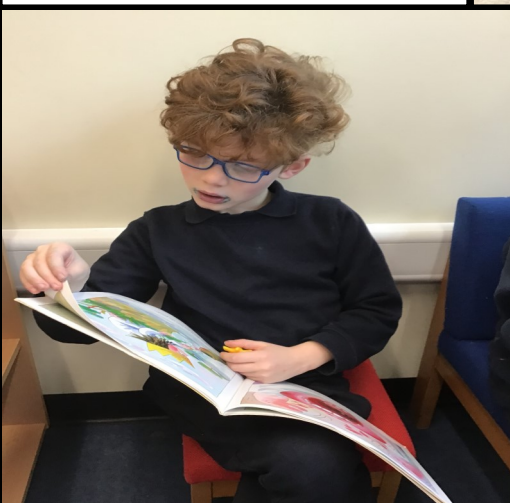

Our year 6 children have made fantastic progress at horse riding this half term with children gaining confidence each week and being comfortable with riding a horse! We are very proud of our extra curricular offer at Red Gates. It includes Horse Riding, Swimming, Choir, Rock band, Community visits, Lunch time clubs, Forest School and more!

As promised I met with transport leads this half term to express my concerns around bus cancellations. I am pleased to see a reduction in cancellations since the meeting and will continue to work with their team to reduce further.

It has been wonderful to see so many of you attending our parent workshops. We love to hear your feedback on these and use it to inform our future sessions. If we haven't covered something you would like to know more about, please let us know.

As you know we welcomed Ofsted in this half term and I am very excited to share the report with you when it is published.
