

Summer 1 news from Melissa

Dear all,

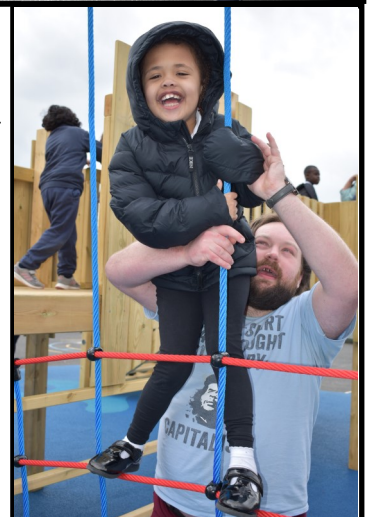

The weather might not be quite there yet but the mood at school this term has been sunny and bright with all the fun celebrations and activities that have been taking place. We all had a great time at our 'Crown Parade' to mark the Kings coronation. The celebration truly reflected the joyous feel around school. We also had a fantastic time at our annual football match, it was lovely to see so many of you there.

I was delighted to share our Ofsted report with you this term. As a community, we take great pride in the report and the true reflection it has of the fantastic progress our children make. You will note that the report has no next steps identified, this is a remarkable achievement and one that we celebrate as a school community. This obviously does not stop our drive for continued improvement as reflected in our school development plan.

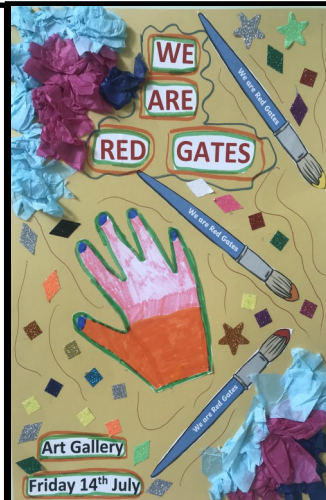

Well done Red Gates!

We are delighted that the first stage of our playground redevelopment took place over the Easter holiday and we now have a fantastic new adventure climbing frame. The children are really enjoying exploring the new equipment during playtimes, just look at their happy faces!

On Friday the 14th July we will be hosting our art spectacular 'We Are Red Gates!' to showcase the wonderful work of our children. You will have seen a letter with an exciting competition for your child to design the ticket to be used for the event. We look forward to seeing you there.
