

LISS Pathway

Spring Newsletter

Welcome back!

Where has the time gone? The LISS pathway have had so much fun in the first half of Spring term and we are excited to share our learning with you.

Academy of Witches and Wizards

We are really enjoying our topic this term, "Academy of Witches and Wizards". It is great fun cooking up 'potions and spells' in cookery and science. The children are finding our book 'Room on the broom' very engaging and are really enjoying role playing, sequencing and exploring rhyme through the story.

Personalised Plans

Personalised plan meetings this term are a great opportunity to share how the children are progressing and discuss their individual next steps going forward.

Reggie

We would like to introduce you to our new Red Gates School bear, Reggie. The pupil school council named our new friend and introduced Reggie to all his new school friends. He is enjoying visiting all the different classes for a week and is having a wonderful adventure!

Important Information

Class teams continue to upload evidence onto your child's SOLAR assessment page so that you are fully informed of their day-to-day progress.

Please contact your child's class teacher if you would like support logging into SOLAR.
