

EYFS Summer 1 Newsletter

Our topic this term is **Colour**.

We will have lots of fun exploring different colours through our Art activities, Attention Autism sessions, and our Maths and Understanding the World activities. We will be doing lots of colour sorting, colouring mixing and, of course, lots of painting.

Our books this half term will be 'Brown Bear, Brown bear What do you see?' and 'We all go travelling by', lovely stories with lots of colours! Here are links to YouTube videos that you can watch with your child.

In cooking this term we will be exploring colour through making milkshakes, rainbow toast, Angel Delight and trifles.

This term we will continue to enjoy lots of outside learning in our fabulous outside spaces and our community walks, where we will explore our local community, including trips on the tram and our local parks and shops. Please ensure you send your child in with appropriate clothes for all weathers.

We are excited to start practising for our sports day in our PE lessons and are looking forward to our Red Gates football match – we are busy making bunting and flags!

We look forward to seeing our lovely parents for our upcoming class visits.
