

Welcome back everyone!

We hope you had a lovely summer break. This term the Sensory Pathway will be exploring a range of activities based around the topic 'It's good to be me!'.

There will be a focus on exploring our likes and dislikes and learning all about ourselves and our families.

We will also continue to focus on outdoor learning and we will be spending time exploring some of our exciting outdoor specialist areas. To help us do this we will be asking families to send in some waterproof clothing and wellies so that we can go outside in all weathers.

We look forward to seeing you for class visits soon,

The Sensory Pathway Team.
