

Welcome back everyone!

We hope you had a lovely Easter break. This term the Sensory Pathway will be exploring the topic 'Continents of the World'.

Each class will spend 2 weeks learning about a continent and its countries before flying over to another one. We will cook and taste foods from across the globe, explore flags and landmarks, create artwork inspired by different countries and learn about the instruments, music and dances from around the world!

Our story this term is 'Walking Through The Jungle' - we will learn about different animals from around the world.

The continents we will cover will be: Asia, Africa, Europe, Australasia, The Americas and Antarctica!
